Grocery service bakery

The supplier we are working with can provide some bakery items as well as fruit, vegetables, dairy, store cupboard and some cleaning items.

From the bakery, we are able to get:

- Loaves - granary, farmhouse, cob, wholemeal, bloomers and more - please ask when ordering
- Rolls, french sticks, baps and focaccia
- Crumpets, teacakes and hot cross buns
- Scones
- Muffins

We can also get some cakes, but note they come in large sizes, so you will need to freeze (or share!)

- Tray bakes (12 portions) of flapjack, millionaire shortbread, rocky road or chocolate brownie
- Slab cakes: chocolate, carrot, lemon or coffee and walnut
- Small cakes (min order of 10): cherry bakewell, eccles cakes
